

GRAND CHAMPION (above) of the beef show at the annual Will County 4-H Fair at Fred Francis 4-H Field, New Lenox, was an all white, 9-month old Shorthorn, shown and owned by Jill Swanson, 11, Lockport township. Below the Reserve Champion Shorthorn, shown and owned by her sister, Jan -- going on 13 Jan is -- and to say both girls are pleased is quite an understatement. Until three years ago when their father Sherman Swanson, who has a chain of clothing stores in Chicago, moved the family out to the 280-acre farm on Parker rd., the girls had an urban life. But they like the country and they are justifiably proud of the calves they have raised. Both youngsters are pupils in the Lemont public school. The father has a registered herd of shorthorns. Donald E. Cagwin has charge of the herd. (Graphic Newspapers photos)

Bond Approval Assures Improved Water System

Mokena voters approved a water bond issue of \$105,000 last Saturday and at the regular meeting of the village board last night (Aug. 4) the machinery was put in motion for improvement of the community's water system.

The first thing that is to be done is to fix upon a location for the proposed new well and get approval of such location from the state water board.

Village Engineer Ralph Yunker has hopes that the board will be able to take bids in about six weeks for drilling the well. After the well is finished and flow established the village can then proceed with bids for a pump house, pump, master meters and chlorinators. Bids also will be taken later on extension of water mains to serve those areas that are without a water supply or inadequately served, and on repair of the storage tank above the well site on Front street.

In the referendum Saturday the proposal to issue general obligation bonds and improve the water system carried by 151 votes, 279 to 128. There were eight spoiled ballots so the total number cast was 415. When the proposal was first voted upon, which was about a year ago, it was voted down by 31 votes.

The hot, dry weather the area has experienced this season, plus the fact that recently one of Joliet's wells broke down and was out of commission for several days with repair crews working 24 - hour days, is believed to have influenced the thinking of Mokena citizens. With the village having but one well a breakdown there would leave the community without water.

Members of the village board said they were gratified with the outcome of the election and would get action on the project as speedily as possible.

The bonds are to be paid off over a 15 - year period and are a lien on taxable property within the village. Prior to the election the village board circulated a pamphlet in which it was stated that to pay off the bonds and the interest would result in a tax increase not to exceed 19.5 cents per \$100 of equalized assessed valuation.

Besides taking bids on the improvements the village board also will be taking bids on the bonds, selling them to the firm or individual offering the lowest interest rate.

There are three possible well sites under consideration by the board, one on Denny street and two on Wolf rd. One of those on Wolf rd. is at the end of the Rock Island property and the other is across the street to the west side of Wolf rd.

WORTH TALKING ABOUT

"Profit is the measure of your effectiveness in managing resources so as to produce more than you consume. A good profit indicates that a business is successfully meeting the wants and needs of customers at prices they are willing to pay. Sound marketing recognizes there is no long-term advantage to anyone in profitless volume."

J. Stanford Smith
Vice President
General Electric Co.

"We need the experts, all right, no question about that. But we cannot turn them loose to determine how the business shall perform. Along with them, and just as much, we need the participation of managers in all departments. We need the hard-headed down-to-earth men of the line who know the traditional score, so that we will have a mixed team and a give and take, a creative dialogue, that develops in all members of the team a better understanding of the goals we want to reach and of the means for getting there..."

Frederick R. Kappel
Chairman of the Board
American Telephone and Telegraph Company

August 7, 1928 - The American dollar bill began to shrink - appearing in a size one-third smaller than bills issued previously by the Treasury.

August 14, 1945 - At 7 p.m., President Harry S. Truman announced that Japan had accepted the terms of unconditional surrender - and that World War II was over.

Social Security Staff To Instruct People On Protecting Their Rights

Now that the President has signed the 1965 Social Security Amendments, many people will think that they have to take action at once to protect their rights. Arrangements will be made by the Joliet Social Security office to be in yours or a nearby community in the near future to help people know when and if action is necessary.

In addition, Harold Whiteside, manager of the Joliet District of the Social Security Administration, said that the Joliet office will be able to provide information and leaflets. In the next few

weeks, articles will be published in the newspapers explaining to the public the new Social Security Amendments.

Whiteside reported that he and his staff are arranging to speak to any organization, any place any time. If your organization wishes to sponsor a Social Security Day in your community or wishes a speaker, telephone or write to the Social Security Office. The telephone number is 815-727-5101, Extension 215. The address is 225 North Chicago st., Joliet.

Blues Were Really Blue After Last Week's Games

Mokena's teams met with little success last week, as the Blues ran into top pitching performances and lost by one run to both Manhattan and New Lenox Moss, while the Reds were defeated by Frankfort and Manhattan.

On July 27 Dave Forsythe pitched Manhattan to a 5-4 win over the Blues, allowing only three hits and one earned run and striking out eight. Because of illness and vacations the Blues had the bare minimum of nine players on hand.

The game was well played and exciting, as losing pitcher Bill Kennard also turned in a good performance, striking out 11 batters in five innings and giving up three hits and two earned runs. Tim Shanahan pitched the final inning, striking out two and allowing one hit. Bases on balls led to three of the runs scored by the winners.

Vangelistic had two of Manhattan's hits and drive in two runs, Martin had one hit and Delay drove in the winning run with his sixth -inning single. Bill Ryan, John Sluis and Bill Zugenbuehler each singled for the Blues.

At New Lenox on July 30,

Legion Honors J.J. Houlihan, Representative

The American Legion Department of Illinois in convention at the Palmer House in Chicago awarded State Representative John J. Houlihan (D-Will county) their Citation of Recognition.

The citation reads as follows, "In recognition of unselfish Distinguished Service to, and loyal cooperation with, The American Legion in the promotion of a program for the betterment of the community, state and nation, this Citation of Recognition is hereby awarded."

The citation was given Representative Houlihan by State Commander James O. Finks.

In accepting the award Rep. Houlihan said "I am grateful and proud to have played some small role in enacting legislation beneficial to the veteran."

Houlihan is a member of Park Forest Post #1198. He is a former assistant administrator of the Illinois Veterans Commission.

the Moss team got a fine performance from John Minger, who gave up three scattered singles to Bill Kennard, Marty Novak and Greg Wasaitis, winning by a score of 4-3. Loser Dave Wallace allowed only five hits and one earned run, as both pitchers were handicapped by poor support in the field, in spite of an unassisted doubleplay by Blues' left-fielder, Mike Shewski. Moss Minger, Reiter, Keith Bauchman and Crowder hit for New Lenox.

Meanwhile, the Reds were losing by scores of 12-0 to Frankfort and 11-2 to Manhattan. Schilling pitched and batted Frankfort to victory, hitting three for three, and Koenig also had three hits, as did John Flynn for the Reds. Gordon Bruce was the losing pitcher.

Dailey was the winning pitcher in the Manhattan game as Nugent and Martin each had two hits, one of Martin's being a homerun. Pat Flynn pitched for the Reds and Randy Dixon collected three hits.

DISTAFF GOLF

BY BIRDIE MC DIVOT

Fourteen players turned out last Thursday at Willow Run for the Women's Golf club events. This was the smallest number out this summer, so many now being away on vacation trips. The day was perfect and the course delightful, since the grass has defied the drouth and has remained green and fresh on the fairways.

Helen Churchill had low net for the day with a 39 and also took the fewest number of putts - 17, Betty Nelson had a net of 40 and Helen Pagoria and June Eppelheimer each had net scores of 42. Mary Gradwell and Bea Olsen each won the ball for the day with net scores of 43 and 45 respectively.

In the July matches up to last week Orlean Collins had defeated Vera Richardson and Helen Pagoria downed Helen Churchill.

Today (Aug. 5) is qualifying day for August match play.

The Willow Run Women's Bridge club also is meeting today and Aug. 19 for their regular bimonthly sessions.

A buffet bridge for couples was held at the club July 18 and was so successful that another evening will be designated for August.

125 Attend Reunion Of Cooper Family At Mokena

MRS. SHERMAN KNOX
Telephone: 349-0211

One hundred-twenty five members of the Cooper family attended the reunion held Sunday, July 25th at the Mokena Community Park. A pot-luck dinner was served at 1 p.m. Rev. Leon Leatherman invoked the blessing.

Mr. and Mrs. Ralph Show and Mr. and Mrs. Kenneth Cooper were in charge of the affair and program. Ralph gave the welcome address.

A picture Gallery of Old and young timers was enjoyed by all. A prize was given to Mr. Art Cooper from Goodland, Indiana, coming the longest distance. The youngest member was 5 month old Jody Vanek, son of Mr. and Mrs. James Vanek of Orland Park, who also received a prize. Other prizes were awarded quiet humorously, such as the woman who had the largest shoe size, or the woman with the most buttons visible. The man with the largest belt size, and the man who was bald.

The children played

games, the men baseball. Pop and ice cream were served by the association. The group also sang old time songs. Since 1963, 14 members are deceased. The family has gained 14 new babies and 6 weddings. At the close of the affair, Rev. Leon Leatherman gave the benediction. Evelyn Rogers is Secretary and Charles Cooper, Treasurer of the group.
